Headteacher: Caroline Jackson

7th March, 2024.

Dear Parents/Carers

We are planning some exciting activities and events to mark the school's bi-centenary this year.

One idea we had was to create a piece of art work to be displayed in school. We have been working with The Arts Society and we have decided upon a large plaque made up of photos (linking with Fox Talbot) taken by the children.

The photos will be printed onto small aluminium plates then mounted onto a wooden plaque.

I have made a Powerpoint presentation which I have shared with the children but thought you may like to see it also as the photos really need to 'stand out'.

Children will be taking some photos in school time but we thought it would be good opportunity for them to get creative at home too.

Please could you encourage your child to take 3 or 4 photos and then upload them to Tapestry for us to use. These need to be uploaded by Wednesday 17th April.

Any questions please speak to your child's teacher.

Kind regards

Mrs Caroline Jackson
