Dear Parents and Carers,

For a number of years now we have been part of the Chippenham Sports Partnership which allows all children in the school to attend various PE and Sporting events at the three Chippenham Secondary Schools. These events are always very popular and all the children have a wonderful time attending them. Not only does it allow the children to benefit from extra sporting activities in addition to what is on offer at Lacock Primary but it also allows the children to visit the secondary school, making transition in later years smoother and allows children to take part in more competitive sport than we can offer.

We have already booked in all the sporting events for the academic year and there are some fantastic ones coming up before Christmas including multi skills, New Age Curling and the Christmas fun run!

To reduce the amount of paperwork for yourselves and the office staff, we thought it would be easier to send out a letter at the start of term that you, as parents, would sign to give permission for your child to attend the PE events across the whole year rather than filling one out each time there is an event. You will of course receive details for each event across the calendar year but you would not need to send in permission each and every time an event was happening.

Unless you withdraw your permission, this form will cover all Chippenham Partnership of Schools events for the academic year 2023 / 2024.

Transport

In most instances children will be transported to these sporting events by minibus, coach or staff car. Occasionally the event will require parents / carers to transport their child to/from events, if this is the case, we will send out a separate letter with all the details. Please sign the form to confirm that you are happy for your child to be transported as above for the academic year 2023 / 2024.

Photography

Please confirm you are happy for photos of your child to be used for publicity by Chippenham Partnership of Schools, including social media.

Face paints

At some events children will have the opportunity to have their face painted. Please let us know if you do not wish for your child to use face paints, especially if they are likely to have an allergic reaction.

Yours faithfully,
