

# DEVIZES HALF MARATHON 14 APRIL 2024

Devizes Half Marathon has been a multiple award winning event since its resurrection in 2012.

The undulating course should not deter as this is a proven personal best course with respectable records for both men and women, this scenic half marathon is truly inspirational with some breath taking views across Wiltshire.

2024 sees a slight change in course, favouring the runners times to enhance brand new records.

Proud to be supporting Wiltshire Air Ambulance.
