

# L a c o c k School Judo Club

**W e l c o m e**  
back after a summer filled with Olympic entertainment. I hope you feel inspired and ready to enjoy a new exciting year of Judo.

My name is Mark Burbidge, I represent ProCoach Judo, the provider delivering judo tuition within your school. I am a Judo Black Belt and full-time professional school Judo teacher with a strong reputation for motivating pupils to learn about judo in a fun and exciting way, and gaining enjoyment from the sport.

Judo is an exciting and dynamic Olympic and Commonwealth Games sport demanding both physical strength and mental discipline. Judo was invented to improve balance, co-ordination and self-belief; qualities that are transferable to many life and sporting situations. Judo is a popular activity open exclusively to pupils at your school.

To experience Judo you need to have a go, so why not come and join school friends and be assured of a very warm welcome!

**Congratulations** to pupils who were awarded a grade promotion during last year. It's always satisfying to see children's progress rewarded for effort, perseverance and development. These results, as shown by the many yellow and orange coloured belts worn in our judo class, demonstrate good and steady progression of judo knowledge and skill. Well done to you all!
