

Celebrating 200 years of Lacock School

We wanted to try to include:

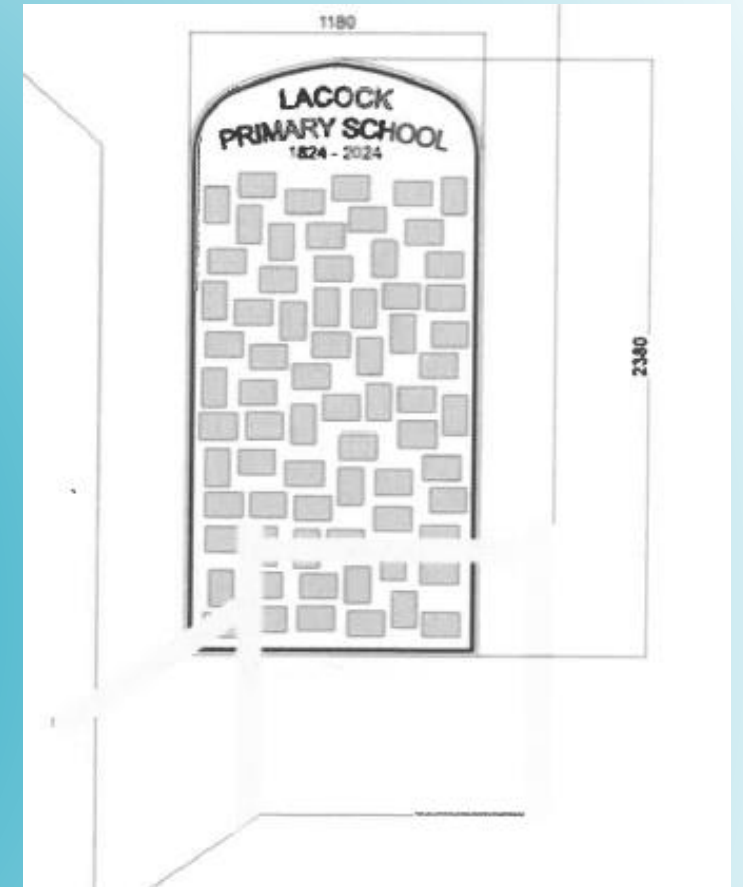

- Fox Talbot's ideas
- the village of Lacock
- the children of Lacock Primary School
- new technology

We decided on:

Lacock Wall plaque

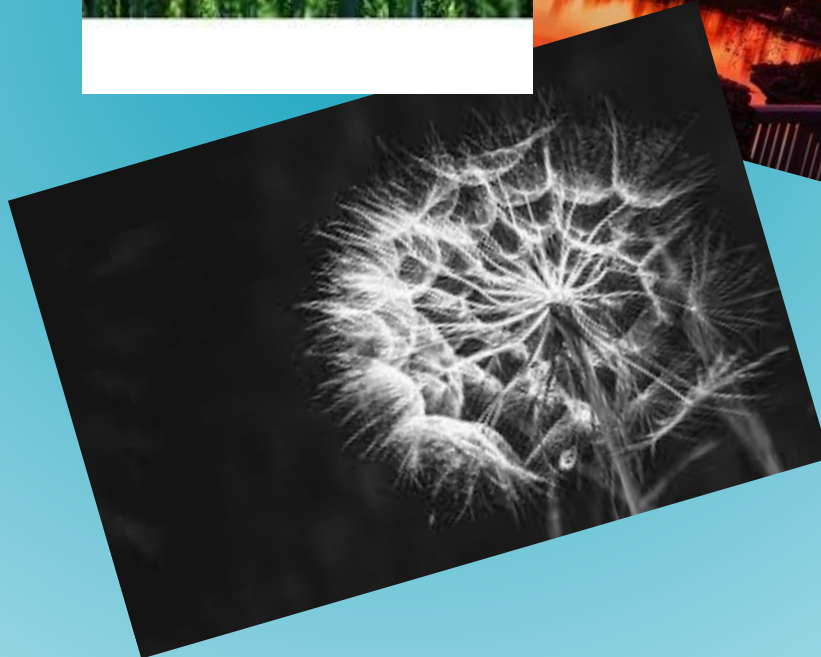

This will include:

- Some of Fox Talbot's photos
- Photos taken by children – around the village or of collections
- Photos will be printed onto small aluminium plates (won't fade or degrade)
- Metal plates to be mounted on a large wooden frame (to be unveiled in Summer term)

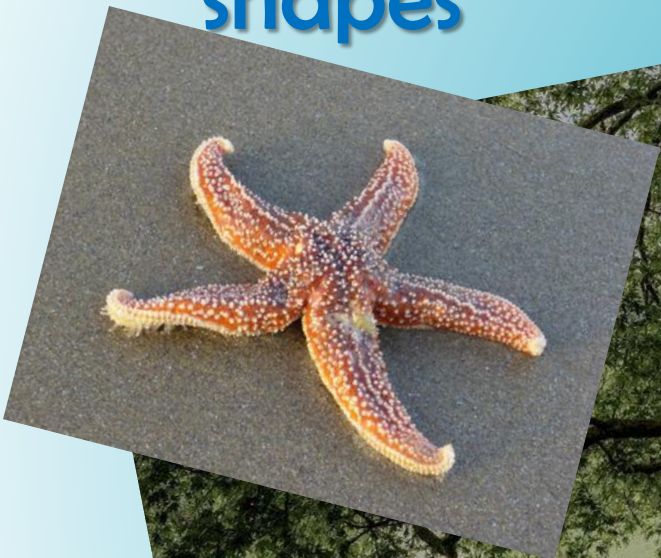

What sort of photos?

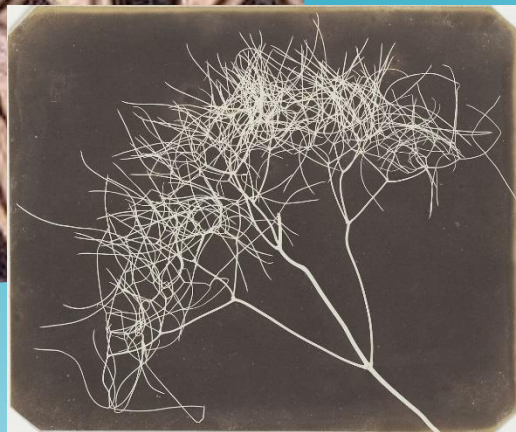

- Need to have contrast

- Think about the shapes

- Can be close up

When do they need to be in?

Wednesday 17th April!!!

Please send up to 3 photos via Tapestry!

We need your photo to be included!!
