(b) to any special educational needs he/she may have
Either by regular attendance at school or otherwise.”
- Promoting and modelling good attendance behaviour.
- Ensuring equality and fairness of treatment for all.
- Implementing our policies in accordance with the Equality Act 2010.
- Early intervention and working with other agencies to ensure the health and safety of our pupils.
- Rewarding regular attendance.

For the purposes of this policy, the school defines:

Absence as:

- Arrival at school after the register has closed.
- Not attending school for any reason.

An **authorised absence** as:

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.

- Oversleeping
- Confusion over school dates

Travel for Reasons of Work:

If families are needing to travel for work purposes, they must inform the school prior to departure of when they intend to leave and supply a return date at the same time. If children fail to return by the agreed date and no contact has been made with the school, children may be taken off role and contact details passed to the local authority.

Persistent absenteeism as:

- Missing 10 percent or more of schooling across the year for any reason.

Training of staff

- The school will recognise that early intervention can prevent poor attendance. As such, teachers will receive training in identifying potentially at-risk pupils as part of their induction and refresher training.
- Teachers and support staff will receive training on this policy as part of their induction.
-

Staff will receive training to ensure they understand that increased absence from school could indicate a safeguarding concern and know how such concerns should be managed

- Teachers and support staff will receive regular and ongoing training as part of their development.

Pupil expectations

Pupils are expected to attend school every day and will sign an agreement at the beginning of each school year, to agree to keep their attendance at, or above, 96 percent throughout the year.

Pupils at risk of persistent absence (PA)

The school will ensure it provides support to pupils at risk of persistent absence (PA), in conjunction with all relevant external authorities, where necessary.

The SLT will:

- Establish a range of evidence-based interventions to address barriers to attendance.
- Monitor the implementation and quality of escalation procedures and seek robust evidence of the escalation procedures that work.
- Attend or lead attendance reviews in line with escalation procedures.
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
 - Sending letters to parents.
 - Engaging with LA attendance teams.
 - Using fixed penalty notices.
 -

The governing board will engage in attendance panels to reinforce messages and outline relevance in terms of training and employment.

Where a pupil at risk of PA is also at increased risk of harm, the school will work in conjunction with all relevant authorities, e.g., social services, to support the pupil in line with the school's duty of care.

Where a pupil becomes at risk of PA, the school will:

- Welcome pupils back following any absence and provide catch-up support to build confidence and bridge gaps.
- Meet with pupils to discuss absence, patterns, barriers and problems.
- Establish plans to remove barriers and provide additional support.
- Make regular contact with families to discuss progress.
- Consider what support for re-engagement might be needed, including for vulnerable groups.

The school attendance system will be used to give an accurate and informative view of attendance, reasons for absence and patterns within groups, including:

- Children in need
- LAC
- Pupils who are eligible for FSM
- Pupils learning EAL
- Pupils with SEND

Absence procedures

- Parents will be required to contact the school office via telephone as soon as possible on the first day of their child's absence and there after daily until their child returns to school.
- Parents will be required to send a note in on the first day that their child returns to school with a signed explanation of why they were absent. This is required even if the parent has already contacted the school. If a child has been absent from school for 3 or more days due to illness, medical evidence maybe required for this to be authorised. This could be a doctor's note, an appointment card or evidence of prescribed medication.
- Alternatively, parents may call into school and report to the school office where arrangements will be made to speak to a member of staff.
- A telephone call will be made to the parent of any pupil who has not reported their child's absence on the first day that they do not attend school.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

In the case of PA, arrangements will be made for parents to speak one of the attendance officers. The school will inform the LA, on a termly basis, of the details of pupils who fail to attend regularly, or who have missed 10 school days or more without authorisation.

If a pupil's attendance drops below 85 percent, the attendance officer will be informed, and a formal meeting will be arranged with the pupil's parent.

Where a pupil has not returned to school for 10 days after an authorised absence or is absent from school without authorisation for 20 consecutive school days, the school will remove the pupil from the admissions register if the school and the LA have failed to establish the whereabouts of the pupil after making reasonable enquiries.

A separate policy is available for CME 'Children Missing in Education' which follows Wiltshire guidance.

Parental involvement

- The school will build respectful relationships with parents and families to ensure their trust and engagement.

- The school will communicate openly and honestly with pupils and their families about their expectations of school life, attendance and performance so that they understand what to expect and what is expected of them.
- The school will liaise with other agencies working with pupils and their families to support attendance, e.g. social services or traveller services

Parents will be expected to:

- Treat staff with respect.
- Actively support the work of the school.
- Call staff for help when they need it.
- Communicate with the school about possible circumstances which may affect their child's attendance or require support.

Attendance register

The designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session. This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

- / = Present in the morning
- \ = Present in the afternoon
- L = Late arrival before the register has closed
- C = Authorised absence
- E = Excluded but no alternative provision made
- H = Authorised holiday
- I = Illness
- M = Medical or dental appointments
- R = Religious observance
- B = Off-site education activity
- G = Unauthorised holiday
- O = Unauthorised absence
- U = Arrived after registration closed
- N = Reason not yet provided
- X = Not required to be in school
- T = Gypsy, Roma and Traveller absence
- V = Educational visit or trip
- P = Participating in a supervised sporting activity
- D = Dual registered – at another educational establishment
- Y = Exceptional circumstances

- Z = Pupil not on admission register When the school has planned in advance to be fully or partially closed, the code '# ' will be used for the relevant pupils who are absent. This code will also be used to record year groups who are not due to attend because the school has set different term dates for different years, e.g. induction days.

All amendments made to the attendance register will include the original entry, the amended entry, the reason for the amendment, the date of amendment and the name and role of the person who made the amendment.

Every entry received into the attendance register will be preserved for three years.

Attendance officer

If they are persistently absent, pupils will be referred to one of the attendance officers who will attempt to resolve the situation through a parent agreement.

If the situation cannot be resolved and attendance does not improve, the attendance officers have the power to issue sanctions such as prosecutions or penalty notices to parents.

The attendance officers will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address absence.

The attendance officers will provide regular reports to staff across the school to enable them to track the attendance of pupils and to implement attendance procedures.

Lateness (Timings currently impacted by COVID-19 staggered start times)

Lateness will be determined if a child has not arrived within 30 minutes of their class' allocated start time. Start times will be confirmed with parents at the start of the year and will be recorded on the school website.

Term-time leave

The school will require parents to observe the school holidays as prescribed.

The headteacher will be unable to authorise holidays during term-time.

The headteacher will be only allowed to grant a leave of absence in exceptional circumstances. Applications will be made in advance and the headteacher will be satisfied by the evidence which is presented, before authorising term-time leave.

The headteacher will determine the amount of time a pupil can be away from school during term-time. Any leave of absence is at the discretion of the headteacher.

Any requests for leave during term-time will be considered on an individual basis and the pupil's previous attendance record will be taken into account.

Requests for leave will not be granted in the following circumstances:

- Immediately before and during assessment periods
 - When a pupil's attendance record shows any unauthorised absence
 - Where a pupil's authorised absence record is already above 10 percent for any reason
- If parents take their child out of school during term-time without authorisation from the headteacher, they may be subject to sanctions such as penalty fines.

Leave during lunch times

Parents may be permitted to take their child away from the school premises during lunch times with permission from the headteacher – it is at the headteacher’s discretion as to whether a pupil will be allowed to leave the premises.

Parents will submit a written request, outlining the reasons for their child to leave the premises during lunch time – this request will be submitted to the headteacher.

The headteacher will consider the request and will invite the parent in to the school for a discussion regarding any concerns, as well as the timely return of their child at the end of lunch time and their child’s behaviour when not on the school premises.

The headteacher reserves the right to grant or refuse a request and will inform the parent in writing of their decision within one week of the request.

Our lunch time hours are 12:00pm - 1:00pm. Pupils will leave the school premises within 10 minutes of the start of lunch and will return no later than 5 minutes before the end of lunch. Parents will be required to meet their child at the school office when taking them off the premises – the pupil will be signed out and back in using the lunch time register at the school office.

A member of staff will be available at the school office before the pupil leaves the premises and upon their return to sign them back in. No pupil will leave the premises before the member of staff has given their permission.

If a pupil is expected to be leaving the school premises, they are required to do so – pupils will go home as soon as they leave the site and will not loiter outside the premises.

If a pupil expected to leave no longer has reason to do so, e.g. a medical appointment is cancelled, they will inform a member of staff at the school office immediately.

The headteacher reserves the right to withdraw their permission at any time – this may occur, for example, where there are attendance concerns.

Any decision to withdraw permission will be in writing, explaining the reasons for the headteacher’s decision. If permission is withdrawn, parents will not be entitled to appeal the decision.

- Parents will be able to withdraw their request at any time – the request will be submitted in writing to the headteacher.
- Permission will be updated on a termly basis – letters will be sent to parents at the beginning of each term to confirm whether they would like their request to continue.

Missing children

Pupils will not be permitted to leave the school premises during the school day unless they have permission from the school.

The following procedures will be taken in the event of a pupil going missing whilst at school:

The member of staff who has noticed the missing pupil will inform the headteacher / senior teacher immediately.

The office staff will also be informed as they will act as a point of contact for receiving information regarding the search.

A member of staff will stay with the rest of the class, and all other available members of staff will conduct a thorough search of the school premises as directed by the headteacher.

A systematic search of the school will be conducted.

Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.

The school will attempt to contact parents using the emergency contact numbers provided. If the parents have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.

The missing pupil's teacher will fill in an incident form, describing all circumstances leading up to the pupil going missing. If the missing pupil has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed.

When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well.

The headteacher will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary.

Parents and any other agencies will be informed immediately when the pupil has been located.

The headteacher / governing body will carry out a full investigation and will draw a conclusion as to how the incident occurred.

Appropriate disciplinary procedures will be followed in accordance with the Behavioural Policy.

A written report will be produced, and policies and procedures will be reviewed in accordance with the outcome where necessary.

Religious observances

The school will take advice from local religious leaders of all faiths to establish the appropriate number of days of absence required for religious festivals.

Parents will be required to inform the school in advance if absences are required for days of religious observance.

Appointments

Parents should book regular check-up appointments e.g dental, outside of school hours. Where this is not possible, a note and appointment card will be sent to the school office. If the appointment requires the pupil to leave during the school day, they will be signed out at the school office by a parent.

Pupils will be expected to attend school before and after the appointment wherever possible. Please do not take a whole morning, afternoon or day off.

Modelling, sport and acting performances/activities

The school will ensure that all pupils engaging in performances/activities (whether they, or another person, receives payment or not), which require them to be absent from school, understand that they will be required to obtain a licence from the LA which authorises the school's absence(s).

The school will make additional arrangements for pupils engaging in performances or activities that require them to be absent from school to ensure they do not fall behind in their education – this may involve private teaching. These arrangements will be approved by the LA who will ensure that the arrangements are suitable for the pupil.

The pupil will receive education that, when taken together over the term of the licence, amounts to a minimum of three hours per day that the pupil would be required to attend a school maintained by the LA issuing the licence.

The above requirement will be met by ensuring a pupil receives an education:

For not less than six hours a week; and

- During each complete period of four weeks (or if there is a period of less than four weeks, then during that period), for periods of time not less than three hours a day; and
- On days where the pupil would be required to attend school if they were attending a school maintained by the LA; and
- For not more than five hours on any such day.

Where a licence has been granted by the LA and it specifies dates of absence, no further authorisation will be needed from the school.

Where an application does not specify dates, and it has been approved by the LA, it is at the discretion of the headteacher to authorise the leave of absence for each day.

The headteacher will not authorise any absences which would mean that a pupil's attendance would fall below 96 percent.

Where a licence has not been obtained, the headteacher will not authorise any absence for a performance or activity.

Young carers

The school understands the difficulties that face young carers and will endeavour to identify young carers at the earliest opportunity, as well as through their time at the school.

The school will take a caring and flexible approach to the needs of young carers and each pupil will be examined on a case-by-case basis, involving other agencies if appropriate.

The school, in conjunction with relevant authorities, will implement support for pupils who are young carers, to encourage their sustained and regular attendance at school in line with the school's expectations.

Monitoring and review

The school will monitor attendance and punctuality throughout the year.

The school's attendance target is 97 percent.

Details of the school's absence levels can be found on the school website.

This policy will be reviewed every three years by the headteacher.

The next scheduled review date for this policy is 24th March 2024.

Any changes made to this policy will be communicated to all relevant stakeholders.

Attendance During the Coronavirus (COVID-19) Pandemic

From 8 March 2021, all pupils will be required to attend school. As such, the arrangements set out in the main body of this policy (above) will be adhered to. This appendix has been developed in line with the latest government [guidance](#) to set out the additional measures that have been put in place to support pupils' attendance at school.

The school will have due regard for the DfE's '[Recording attendance during the coronavirus \(COVID-19\) outbreak](#)' guidance when recording attendance during the pandemic.

1. Attendance expectations

- 1.1 As of 8 March 2021, attendance is mandatory for all pupils.
- 1.2 From this date, the usual rules on school attendance (as set out in the main body of this policy) apply, including:
 - Parents' duty to ensure that their child attends school regularly.
 - The school's responsibility to record attendance and follow up absence, in line with the procedures in the main body of this policy.
 - The availability to issue sanctions, including fixed penalty notices in line with the LA's code of conduct.
- 1.3 The school will ensure pupils do not attend the school site where they are displaying symptoms of, or have tested positive for, coronavirus, or are quarantining following travel abroad, or are in a household, childcare or support bubble with an individual who is displaying symptoms of, or has tested positive for, coronavirus.

2. Shielding or self-isolating pupils

1. The school will stay up to date with all relevant national and local public health advice regarding shielding and self-isolation, communicating any relevant changes to all stakeholders.

2.

Absences relating to pupils following clinical and/or public health advice will not be penalised. Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, they will be immediately offered access to remote learning, in line with the Pupil Remote Learning Policy.

Absences due to shielding or self-isolation will be recorded with Code X.

The school will follow the measures set out in the Infection Control Policy in all circumstances where self-isolation is required.

The school will request a copy of a shielding pupil's medical letter to confirm their status where necessary.

Where a vulnerable pupil is required to self-isolate, the school will notify their social worker (if they have one), ensure a method of maintaining contact with the pupil, and ensure the pupil has access to remote education.

3. Reluctance to return to school

The school will remind parents of their legal duty to ensure their child attends school, and parents will be advised to contact the school if they have concerns about their child returning to school.

If a parent raises a concern, a relevant staff member will hold a discussion with the parent to discuss their concerns and provide reassurance on the measures that are in place to reduce risk in the school.

4. Monitoring attendance

The attendance officer will monitor the school's attendance rates once the school is open to all pupils in September.

Any trends in non-attendance will be identified (e.g. due to anxiety) and measures will be put in place to reengage affected pupils with the school.

The school will place particular emphasis on supporting the attendance and re-engagement of vulnerable pupils, pupils at risk of PA, and pupils who have not engaged regularly with school during the coronavirus pandemic.

An agreed member of the admin team will complete the 'Educational setting status form' on a daily basis, based on the information on the attendance register.

The school will use the DfE's list of sub-codes in the management information system (MIS) to record non-attendance related to coronavirus. These are:

- Code X01: Non-compulsory school age pupil not required to be in school
- Code X02: Pupil self-isolating with coronavirus symptoms
- Code X03: Pupil self-isolating due to potential contact with a confirmed case of coronavirus inside the school setting
- Code X04: Pupil self-isolating due to potential contact with a confirmed case of coronavirus outside the school setting
- Code X05: Pupil required to self-isolate as part of quarantine requirement (after arriving in the UK from a non-exempt country or territory)
- Code X06: Pupil not in school because they have been advised specifically by their doctor or public health authority that they are clinically extremely vulnerable and should not attend school
- Code X07: Pupil advised specifically not to attend school as part of restrictions to education set out in government guidance
- Code I01: Non-coronavirus related illness
- Code I02: Illness (confirmed case of coronavirus)

Attendance Monitoring Procedures

Lacock Primary School has adopted the following attendance monitoring procedures, to ensure that pupils' attendance meets the expected standard, and effective intervention is provided where pupils' attendance falls below the standard:

1. A termly report is sent to the SLT and attendance officer detailing weekly and annual attendance to date.
2. Attendance is monitored by the EdComm committee at regular intervals throughout the year.
3. Contact is made with parents on the first day of absence for any pupil absence not reported. 'N' codes are used to indicate that the pupil is absent for a reason not yet provided; these N codes are reported to the SLT and attendance officer daily.
4. Contact is made to the parents of any pupils marked using the N code. Any N codes not established after a week are recorded as an unauthorised absence.
5. If a pupil's attendance falls below 97 percent, a letter is sent home raising concerns that their attendance has fallen below the school's expected standard. The letter also has an attached leaflet outlining how parents can work with the school and their child to improve attendance.
6. If a pupil's attendance falls below 90 percent, a letter is sent home explaining that the pupil's attendance is now being monitored, and the attendance officer contacts the parents to discuss this.
7. The pupil's attendance is monitored for two weeks and, if attendance does not improve after this time, parents are required to attend a meeting in school with the classroom teacher and set targets for their child. If parents are unwilling to cooperate, or are genuinely unable to attend, a referral may be required to the local education welfare officer (EWO), who will then conduct a home visit.
8. After the two-week monitoring period, and if targets are met, a letter is sent home from the SLT to congratulate the pupil and their parents on improving attendance. Monitoring and communication with the parents continues until attendance stabilises to 97 percent.
9. If targets are not met, the classroom teacher makes a referral to the EWO. Education welfare protocol is followed, and a parental contract is drawn up. A four-week monitoring period is established and, if there are no improvements, a final written warning is issued to the parents if there is no improvement after an additional four weeks, a fixed-penalty notice is issued.
