9 July - 4 September

Libraries in Wiltshire are gearing up for a summer of reading, as the Summer Reading Challenge returns with a special science and innovation themed challenge.

Produced by The Reading Agency and run in libraries across the country the Summer Reading Challenge is a brilliant way to maintain children's reading enthusiasm throughout the summer break.

Children read six library books of their choice over the summer, collecting rewards (including smelly stickers) along the way. Every child who completes the challenge will receive a certificate and medal.

This year children are invited to join the Gadgeteers on a science filled reading adventure. As children progress through the challenge they will discover the innovative ways the Gadgeteers are preparing for a party at their local community centre. Exploring the science and innovation behind everyday objects along the way.

Children choose the books they want to read; story books, fact books, poetry, joke books –all reading counts!
