9<sup>th</sup> November, 2023.

Dear Parents and Carers,

**Evening star gazing event - Monday 4<sup>th</sup> December 5pm – 7.00pm**

I am so pleased to be able to tell you about a star gazing event, which I have organised with Bath Astronomy Club, for the evening of Monday 4<sup>th</sup> December. Please note, this date may change in the event of bad weather being forecast.

**Timetable:**

5pm	Hot dogs and hot chocolate - Lacock School
5.30 pm – 7.00pm	Planetarium show – Village hall
Rotation of activities	Rocket investigation – Oak Classroom
	Star gazing – Village playing field

We are aware that Oak Class parents have been asked for several payments recently (Braeside & Panto etc.), so by using money from our school fund and from the money raised for our trade and economic project last year, we have been able to make this a free event.

It would be useful to have 3 or 4 parent volunteers, to help with the food and logistics of this event. If you would be able to help, please let me know through tapestry or via the school office.

I hope this will be a highlight of our Science topic this term.

**Please use Parent Mail to give permission for your child to attend the event and to let us know of any allergies.**

Kind regards

Mrs White.
