## Oak Swimming January 2024

### Oak Swimming

Swimming is an important life skill and oak class will be going swimming at the Olympiad Leisure Centre.

All children are expected to attend regularly as part of their PE. It is a requirement of the national curriculum that children are taught how to swim at least 25 metres by the time they leave primary school.

The children will be transported by minibus / staff car to and from the Olympiad Leisure Centre, Chippenham. **We would like to thank the Friends of Lacock School for financially supporting the school with the cost of transport, making swimming lessons more affordable.**

Children are taught by a qualified swimming teacher and by Lacock staff. A life guard is present at all times.

Children will require a suitable one-piece swimming costume and towel (No bikinis, tankinis or Bermuda style shorts). All children are required to wear a swimming cap. Goggles may only be worn with permission of parents. Parents must ensure that children can safely put on and take off goggles. Floats are provided. Lessons will start Friday 5th January for 6 weeks.
