

Lacock CE (VC) Primary School

PE and Sports Premium 2019 – 2020

The funding must be spent on improving the provision of PE and sports within schools however headteachers have the freedom to choose how they do this.

For the 2019 – 2020, Lacock will receive £16,700 and we had a carry forward of approximately £4400.

At Lacock we want to promote a positive attitude to sport and encourage a lifelong participation. Our focus is to once again build on the success of last year's mentoring and CPD, to continue to encourage our children to develop a sustained interest in sport, physical exercise and healthy living, and to enhance general PE provision.
