18<sup>th</sup> May, 2023.

Dear Parents and Carers,

**Wildlife and Gardening Club Open to Year 2 and above**

Our wildlife and gardening club has been very popular. Amanda will be continuing our wildlife and gardening club in term 6. Details are as follows:

Tuesday - 3.15pm - 4.15pm starting 6<sup>th</sup> June

Coat and wellies required

Activities based in and around the grounds of Lacock Abbey

We are going to become 'Nature Detectives' discovering the wild side of the Abbey gardens, looking for tracks and signs left by the wildlife that live there:

Footprints

Feeding remains

Fur/ hair/ feathers

Empty egg shells

Slime trails & vey importantly Poo! (Did you know that Hedgehog's poo is shiny as it's full of beetle shells?). Have fun making footprint survey tunnels to find out what's happening after dark and play detective matching the footprints to see which animals have been visiting.

The club is open to year 2 pupils and above and the club will run for 7 weeks from Tuesday 6<sup>th</sup> June. The cost of the club will be £2.50 a week and this term the total cost will be £17.50 or £5.85 if you are in receipt of FSM. Please pay via our preferred method of payment +parentpay and return your permission letter to the school office.

Many thanks,  
Caroline Jackson  
Headteacher
