Chippenham Sports Partnership 24 / 25

For a number of years we have been part of the Chippenham Sports Partnership which allows all children in the school to attend various PE and Sporting events at the three Chippenham Secondary Schools. These events are always very popular and all the children have a wonderful time attending them. Not only does it allow the children to benefit from extra sporting activities in addition to what is on offer at Lacock Primary but it also allows the children to take part in more competitive sport than we can offer.

We have already booked in some of the sporting events for this academic year and there are some fantastic ones coming up before Christmas including multi skills, golf, hockey and the Christmas fun run!

To avoid sending out permission forms everytime your child is attending an event, this form will cover the academic year 2024 / 2025. We ask parents to give permission for your child to attend the PE events across the whole year rather than filling one out each time there is an event. You will of course receive information outlining the details for each event across the calendar year but you would not need to send in permission each and every time an event was happening.

The only exception will be when parents are asked to transport their child to or from an event. This is to keep the cost of transport as low as possible. We will always let you know if this is needed.

Permissions

*I give permission for my child to attend the Chippenham Sports Partnership events and understand that my child will be transported back to and from Hardenhuish / Sheldon / Abbeyfield by coach / staff car.

*permission can be withdrawn at anytime but sporting events are part of our PE provision.

Yes

Medical / dietary Information

Please include any dietary or medical information the teachers should be aware about.
