Airbrush

Brush

Key Skills

- To use the different tools to paint a picture.
- To make marks on a screen to create a digital painting.
- To describe what they are doing as they create their painting.

Key Knowledge

- To describe what all the different painting tools do.
- To know how to change part of their picture.
- To explain how they have created their digital painting.

What I should already know:

That technology is all around us.

This learning will help me in the future when I learn:

Creating media in Beech Class.
