

Lacock Primary School EYFS Knowledge Organiser 'Does it always snow in winter?' Jan 2024

Important Vocabulary

Weather	winter
spring	season
Polar	snow
ice	frost
cold	temperature
foggy	forecast

snowy

frosty

rainy

foggy

windy

weather vane thermometer rain gauge barometer

Different instruments can be used to measure and record the weather.

These animals live in places where it is always cold and snowy.

Polar Bear

Penguin

Arctic Fox

Walrus

Arctic Hare

Seasons of Winter and Spring

Key Knowledge

- That the season of winter brings shorter days and colder weather and lots of different weather.
- The season after winter is spring
- That we change what we wear or behave to match the weather
- That there are places in the world that are always cold.

What I should already know:

We get lots of different weather

This learning will help me in the future when I learn:

Seasonal change moving from Spring to summer
