Needle	A thin metal object in which thread or cotton is used with to sew		
Eye	Part of the needle where there is an opening for the cotton		
Stitch	A single turn or loop made by the needle and thread		

## Key Knowledge/Facts

To know how to design, taking into account a customer's needs.  
 To be familiar with how to use a range of techniques involved with embroidery.  
 To design, make and evaluate a product made out of fabric.

### Golden Thread

#### How does a sewing machine work?

What I should already know:

Use different materials to create a collage.

This learning will help me in the future when I learn:

How to work with textiles, whilst caring for our planet – sustainability.
